Description

TENA Incontinence Pads, Bladder Control & Postpartum for Women, Overnight Absorbency, Extra Coverage, Intimates - 90 Count 45 Count (Pack of 2) 35.06

Tena Intimates Extra Coverage Overnight Incontinence Pads with lie down protection have 20% more coverage*. Our pads are 100% breathable and have been gynecologist tested to help protect your sensitive, intimate skin from irritation. In addition to our triple protection against bladder leaks, odor and wetness, our Duolock core has been optimized to provide additional security and leakage protection while our cushiony foam side barriers are gentle to the skin. Tena Intimates Extra Coverage Overnight pads are for worry free nights, designed for overnight use and for women experiencing post-partum incontinence. *compared to our Tena Ultimate pads.
