Description

Suncast 99 Gallon Resin Wicker Patio Outdoor Storage Container for Toys, Furniture Deck box, Mocha 208.32

Suncast 99 Gallon Resin Wicker Patio Outdoor Storage Container for Toys, Furniture Deck box, Mocha The wicker plastic storage container from Suncast is an attractive and highly versatile solution for use throughout your home and yard. The chest design and hinged lid allow for easy access to your tools and accessories. With a holding capacity of 99 gallons (50" x 25.5" x 25.5"), the deck box is compact and space-efficient, easily tucked away in your laundry room or garage. Use it on your deck to stow away patio cushions, gardening tools and grill accessories, or in your house to store boots, gloves, hats, and more. The weatherproof body will resist fading, while the rain water flows off of the box without pooling to keep your belongings dry and mildew-free. Constructed with durable and waterproof resin that is built to last a lifetime. Suncast 22 Gallon Small Resin Storage Seat, Java, SSW600J The wicker plastic storage container from Suncast is an attractive and highly versatile solution for use throughout your home and yard. The chest design and hinged lid allow for easy access to your tools and accessories. With a holding capacity of 22 gallons (17" x 22" x 20.5"), the deck box is compact and space-efficient, easily tucked away in your laundry room or garage. Use it on your deck to stow away patio cushions, gardening tools and grill accessories, or in your house to store boots, gloves, hats, and more. The weatherproof

body will resist fading, while the rain water flows off of the box without pooling to keep your belongings dry and mildew-free. Constructed with durable and waterproof resin that is built to last a lifetime.
