simplehuman 9 oz. Touch-Free Rechargeable Sensor Liquid Soap Pump Dispenser, Brushed Stainless Steel & Fragrance Free Moisturizing Liquid Hand Soap Refill Pouch, 34 Fl. Oz 72.33

simplehuman 9 oz. Touch-Free Rechargeable Sensor Liquid Soap Pump Dispenser, Brushed Stainless Steel simplehuman's sensor pump is the most efficient way to wash your hands — no germs or smudges left behind. It has a clog-proof tubing pump that ensures a precise and consistent flow, and the silicone valve prevents messy drips. To control the amount of soap desired, you can position your hand up close to the sensor for a little soap and farther away for more. A funnel refill opening makes refills fast and easy, and it's waterproof for easy cleaning. It recharges with the included charging puck — one charge lasts up to 3 months. Use simplehuman soap for optimum pump performance. simplehuman Fragrance Free Moisturizing Liquid Hand Soap Refill Pouch, 34 Fl. Oz The sulfate-free formula is gentle on your hands and the optimum consistency for simplehuman sensor pumps — no clogs or drips.
