One order contains 6 packs of 4-5 oz bags (1 of each flavor). Why Sprouted? Sprouting nuts & seeds removes harmful chemicals that create inflammation and disrupt digestion while also unlocking key nutrients, minerals, and vitamins. Clean Ingredients: All of our ingredients are diligently chosen by Rich himself to maximize both flavor and health. They are all clean, simple, healthy, and totally crave-able! Our nuts are sourced direct from local farmers around the world. Healthy Snack: Our thoughtfully seasoned sprouted nuts are easier to digest, nutrient dense, bio-available, full of good fats and

protein while being crunchy and delicious. All of our products are USDA Certified Organic, preservative-free, pesticide-free, vegan, gluten-free, Keto and Paleo diet approved. Gourmet Flavor: Subtle but unique is our flavor philosophy. We use simple, clean exotic ingredients that enhance the natural flavor of the nuts rather than overwhelming them. Tantalizing Texture: The crunch that we create with our process will WOW your senses! No more heavy, waxy dense nuts. These are light and crunchy and will leave you feeling ready to take on your day!
