This is why we have designed this freestanding; modern brushed finish tissue roll holder to stand neatly near the toilet for easy access and organized storage at all times. Designed to be sleek and compact, this is a space saving toilet paper holder dispenser that is discreet yet stylish too. SPACE SAVING - if you are limited on floor or cabinet space, then the Brookstone toilet paper stand is the perfect solution for your home or workplace. Designed to fit neatly next to or behind the toilet, this toilet paper holder dispenser is ideal for smaller spaces. The vertical design of this toilet paper stand holder also maximizes your storage space and makes taking the rolls on and off super easy too. SUPERIOR QUALITY TISSUE ROLL HOLDER - Each of our toilet paper holder

dispensers has been manufactured using premium quality materials, including durable stainless steel with a modern, brushed finish. The durable metal construction is designed to withstand the weight of 3-4 toilet rolls with ultimate balance, and the heavy-duty, anti corrosion coating on the toilet paper stand ensures that your toilet paper stand holder will last for years to come. EASY TO INSTALL -This Brookstone tissue roll holder is super easy to install and no complicated assembly is required. Simply use a Phillips head screwdriver to secure the screw and washer through the base into the stand pole and your toilet paper stand holder is ready to use. No wall mounting or fixings are required, making this toilet paper stand perfect to use in rental homes too. FREE STANDING - Designed to complement most d cor schemes, this tissue roll holder is chic and compact, and is the ideal bathroom storage solution for you. Easy to move around as required, this lightweight, modern toilet paper stand measures 23 in height to fit most regular and large size toilet rolls with a round base measuring 8 in diameter and with an overall length of 9 .
