Description

QuickChange Men's Incontinence Wrap, 3 Week Supply + 5 Free Wraps (105 Count), Catheter Alternative and/or Adult Diaper Insert for Men with Reduced Mobility, Maximum Absorbency, OSFA 100

In Packaging?: Yes Assembly Required?: No Functional?: Yes UPC: B0CV4LKYT6 Title: QuickChange Men's Incontinence Wrap, 3 Week Supply + 5 Free Wraps (105 Count), Catheter Alternative and/or Adult Diaper Insert for Men with Reduced Mobility, Maximum Absorbency, OSFA Condition: New \$100 Designed for MEN who are BED-BOUND or in a WHEELCHAIR. FAST, HASSLE-FREE CHANGES 60 seconds is all it takes to change into a clean, dry wrap, with minimal assistance. WORKS WHILE SEATED OR LYING DOWN Designed for men with reduced mobility, wraps work while the user remains prone or seated. Caregivers our wraps because they can be changed without disturbing the wearer. USE AS A STANDALONE OR WITH DIAPERS / BRIEFS The wrap fits neatly inside any type of incontinence mesh underwear. Change a wet wrap by opening the diaper or brief, swapping wraps, then refastening. PROTECTS SKIN FOR IMPROVED HEALTH Urine is wicked into the wrap's absorbent layers, reducing irritations and infections. Improved quality of life vs Foley or condom catheters. WEAR FULL-TIME OR AS A NIGHT-TIME CONVENIENCE Microfiber material stays soft on skin

for hours. Elderly men with fall risk depend on our wraps to reduce overnight bathroom trips and guard against fall injuries.
