UPC: B0CJR8H1SQ Brand: HOXIYA Model: HOXIYA-DJ-PL0503 Title: HOXIYA DIMMABLE Plug-in Glass Chandelier 5 Light Crystal, White Hanging Pendant Light Fixture with Cord, Classic Vintage K9 Crystals Beads for Girls' Room Dining Area Kitchen Island PRE-Wired Condition: New \$80 Full Glass Structure, Charming Design All essential parts are made of Glass, rather than acrylic plastic which may look similar in pics but hardly any similarities in real cases. Acrylic plastic will have a significant yellowing effect with even one year of use, whereas glass will still look fabulous in years to come. 0-100% Dimmable Chandelier, Bulb Requirement An important DIMMER is equipped to our chandelier, which is a substantial difference compared with other similar models on the market with a mere ON/OFF switch. You can set the light at different brightness levels according to your demand. This chandelier uses 5x E12 LED Bulbs(NOT Included), please buy stepless dimmable Max.40W Edison E12 LED Bulbs separately. Plug in & Pre-wired Our Chandelier is in Plug-in Version, which means it comes with a 19.68ft Long Clear Cord and a plug. Being a plug in chandelier means there's ZERO restriction in deciding where to hang this chandelier, No Ceiling Box?

Under a Gazebo? Not even a problem. The chandelier is pre-wired before shipping, There's no need to hire an expensive electrician, since all the electrical work is already been done before shipping. K9 Crystal with Incredible Glamour All Crystal Beads on our chandelier are made of K9 Class Crystal, K9 class is something you find in optical instruments. Being K9 Class means high Translucency rate and absolutely flawless in production, then cutting out all the small edges in order to reflect different colors of light to create an incredible jewelry-like glamour. You will never feel the same with plastic beads. Ceiling Canopy This chandelier comes with a ceiling canopy with the same color as the lamp. It's much prettier than a bare iron hook which spoils the whole atmosphere created by the chandelier. This ceiling canopy is tailor-made for this chandelier to keep consistency in decor style.
