Posing Table for Newborn Photography Baby Photoshoot Backdrop Stand with 6 Clamps Beanbag Backdrop Blanket Frame Background Station Travel Stand Pack Quick Assembly for Easy Storage/Studio 73

Model: Newborn Posing Stand Title: Posing Table for Newborn Photography Baby Photoshoot Backdrop Stand with 6 Clamps Beanbag Backdrop Blanket Frame Background Station Travel Stand Pack Quick Assembly for Easy Storage/Studio Condition: Used \$73 STARTER PACK - The kit includes: Travel Size Round Backdrop Stand, Carrying Bag for Stands, 6 Heavy Duty Spring Clamps, Detailed assembly instructions (no tools required). These are the right tools that will make your work in the studio or on-the-go easier and your clients feel more comfortable. Ideal to begin in the world of newborn photography. TRAVEL SIZE FOR PHOTOGRAPHY SESSIONS ON-THE-GO! - Lightweight and comes apart easily for storage & travel. The background stand is easy to assemble (~2min), metal structure is durable and stable. When disassembled, stand easily fits in small bag that is INCLUDED. Also usable for travelling photographers, assembled stand fits into medium size car without a need of disassembly. Enjoy your newborn photography as never before and increase your productivity with our Newborn photo set! NO MORE REMOVING WRINKLES IN POST-PRODUCTION - This backdrop stand for photography is ideal to be used with any type

of beanbag and fabric backdrop combination. The tubular structure allows you to clip the fabric to all sides to get the perfect stretching. A real time saver! If you are also planning to purchase a beanbag, please take a look at the dimensions below to make sure they are compatible: Assembled size - 41" diameter, 11" Front Height, 21" rear height, Weight: less than 5 pounds. 360-DEGREE POSING FLEXIBILITY - The best part about this background stand is its round shape this allows you to have your background showing behind the baby no matter what camera angle you use. Turn the beanbag towards the light, and your background will still be perfect -you can photograph the top of her head, swivel the bag to see the tips of her toes, and you still won't have to edit the background later. TAKE YOUR PHOTOGRAPHY BUSINESS TO THE NEXT LEVEL - These packs have been carefully curated BY photographers FOR photographers, keeping in mind shooting style, workflow, necessity, and most importantly...BUDGET. Perfect prop for those just starting to take newborn photos as well as seasoned professionals. Great for on-location photographers and home studio set-ups. Use for indoor or outdoor photo sessions.
