Model: ZD1301 Title: 41 Inch Tall Cat Pet Gate Baby Gate Auto Close Pet Gate Adjustable 29.92"-43.71" Wide Pressure Mounted Walk Through Swing Pet Gate (Black, 29.92"-43.71" Wide) Condition: New \$100 41" TALL DOG GATE Gate stands 41 Inch tall for added security, which is much taller than most extra tall cat gates available on the market, thus effectively preventing pet cats from jumping out. Suitable for families with strong jumping ability and pets of different sizes. ULTRA-DENSE PIPE SPACING The space between the tubes is 2.16", ultra-narrow so that kids can not drill out from it or stuck their heads between it. The included 2 extensions allow for a customizable width between 29.92" and 43.71" . Please measure your openings before purchase this extra tall dog gate. SAFE & FIRM BABY GATE Our pet gates for dogs are made of premium steel material, which is more durable than others in the market. You no longer have to worry about your dog jumping over the gate or pushing it down, and hurting your child. EASY TO USE Compare with other extra tall pet gates, our tall pet gates does not need to lift the heavy metal gate to open it Simply hold the handle and lift it upwards. What's more, our pet gate has an upgraded thicker pipe wall, making it more solid and stable. EASY INSTALLATION Our tall wide cat gates for the house

comes with 4 adjustable pressure bolts, no tools required, no need to drill holes, and no damage to your house wall. If you encounter difficulties during use please contact us we will provide you with a satisfactory solution.
