Description

(Another model)BREEZOME Space Heater, Portable Electric Heaters for Indoor Use with Thermostat & 24H Timer, 1500W PTC Ceramic Quiet Fast Heating Desk Heater, Safety Room Heaters for Home Bedroom Office 30

Brand: BREEZOME Model: MG31QN Title: (Another model)BREEZOME Space Heater, Portable Electric Heaters for Indoor Use with Thermostat & 24H Timer, 1500W PTC Ceramic Quiet Fast Heating Desk Heater, Safety Room Heaters for Home Bedroom Office Condition: New \$30 FAST HEATING AND LONG RANGE: Boasting a powerful 1500W maximum setting, this heater rapidly warms up your space within seconds. Its advanced air duct design ensures efficient and even heating over a greater distance, making it perfect for quickly raising the temperature in space. QUIET SLEEP EXPERIENCE: With Denoise Motor Technology, this heater operates quietly at just 34 dB on the lowest setting (H1), providing a peaceful environment for sleeping or working. The display screen can be turned off, and the indicator light s brightness automatically adjusts to 50% to avoid disturbances. SMART AND VERSATILE: Our desktop heater offers three distinct modes Warm, ECO, and Breeze to meet all your needs. The Warm mode provides three adjustable heat levels (H1, H2, H3) for personalized warmth. In Smart ECO mode, you can set your ideal temperature between 59-95 , optimizing energy efficiency while ensuring consistent comfort. It

also have a breeze mode that can blow cool air. Compact Size: Its compact and lightweight design makes it easy to move and place on a desktop or small surface, making it ideal for personal spaces like offices or bedside tables. Despite its small size, it delivers powerful heating performance. Additionally, a 24-hour timer allows you to program the heater to run only when needed. SAFETY FEATURES: Constructed from V0 flame-retardant material, this heater is designed with multiple safety features, including built-in tip-over protection that shuts off the heater if it's accidentally knocked over, overheat protection that prevents overheating, and a 24-hour automatic shutdown function for peace of mind. It also holds ETL certification.
