Description

(Not complete)4-Light Gold Bathroom Light Fixture, Vanity Light Over Mirror with Clear Glass Shade, Modern Sconce Wall Lighting with Metal Base, for Mirror Bedroom Powder Room Hallway, Gold D05BD05 18

Brand: GOEBLESON Model: Bathroom Light Fixture Title: (Not complete)4-Light Gold Bathroom Light Fixture, Vanity Light Over Mirror with Clear Glass Shade, Modern Sconce Wall Lighting with Metal Base, for Mirror Bedroom Powder Room Hallway, Gold D05BD05 Condition: Like New \$18 Exquisite and Luxurious: This wall sconce features a glass shade that seamlessly blends with its gold finish, exuding a warm and luxurious flair. The gold lamp resembles a skilled artwork with thick and clear glass emitting a soft and cozy glow, adding an air of elegance and refinement to any setting Standard E26 Base: The wall light has an E26 base that fits well with E26 bulbs (Bulbs Not Included). When used with a dimmable bulb and compatible dimmer switch (Not Included), the light can be fully dimmable, and each base can handle up to 60W Versatile Use: The glass wall light with simple and exquisite design embellishes various spaces, from bathrooms and vanities to bedrooms and studies. The soft light it emits creates a warm and cozy ambiance, making it an ideal solution for any corner in your home Excellent Craftsmanship: The mounting plate of the wall sconce showcases advanced plating and sealing technology to resist rust and moisture. It is suitable for

wet environments, including bathrooms. The thick and clear glass softens the light and extends the lifespan of the bulb Bidirectional Installation: The vanity wall light can be flexibly mounted upwards or downwards to achieve your desired decorative effect. The light fixture comes with a mounting plate, detailed instructions and necessary parts for easy installation
