Brand: Perlegear Title: Perlegear Advanced Tilt TV Wall Mount, Pre-Assembled Tv Mount for Most 42-90 inch TVs up to 150 lbs, UL-Listed, 6-inch Arm Extension, 15 Full Tilt, Fits 24 /16 Wood Studs, Max VESA 600x400mm Condition: New \$80 Large TV Compatibility: This tilt TV wall mount is compatible with most 42 to 90 TVs with VESA patterns 200x100 to 600x400mm. Please verify the size, weight, and VESA pattern of your TV before purchase. The wall mount TV bracket can support 150 lbs, 30% more weight than other similar mounts. 15 Full Tilt: Enjoy TV full tool-free tilt with our 65, 70, 72, 75, 77, 78, 80, 82, 85, 86, 90 inch wall TV mount when the wall mount arms are extended. Simply loosen the tilt knobs, adjust tilt, then retighten the knobs to secure it. The pull cord locking mechanisms can be used to lock or release the TV and arms from the wall plate without the need for tools. 6 Arm Extension: The unique articulating arms of this advanced tilt TV mount allow you to extend your screen for easier access to connections on the back and swivel 8 for optimal cable access. When retracted, the TV bracket sits 2.91 from the wall for a low-profile look, with an open wall plate that provides space behind the TV for a wall outlet. Quick & Easy

Installation: The 75 inch tv wall mount includes a drilling template and hardware to mount on wood studs, solid concrete, or brick walls. The preassembled wall plate makes installation easier with less assembly required. The tv mount 75 inch is not designed to mount on drywall alone. Easily Center Your TV: The fireplace tv mount has a wide 30.91 x 9.45 wall plate designed to fit 16 24 wood studs, making it easier to install the 85 inch tv wall mount where you need it. TVs with VESA patterns up to 500mm wide can be shifted left or right on the wall plate for perfect screen centering.
