### **Description**

NEEWER Pro 100% Stainless Steel Heavy Duty C Stand with Boom Arm, Max Height 10.5ft/320cm Photography Light Stand with 4.2ft/128cm Holding Arm, 2 Grip Head for Studio Monolight, Softbox, Reflector 150

Model: ST-C-CB Title: NEEWER Pro 100% Stainless Steel Heavy Duty C Stand with Boom Arm, Max Height 10.5ft/320cm Photography Light Stand with 4.2ft/128cm Holding Arm, 2 Grip Head for Studio Monolight, Softbox, Reflector Condition: New \$150 Made of pure metal,giving it a longer service time and exceptional strength for heavy duty. Note: When you adjust the angle under the conditions that the weight on both sides of the joint head is not balanced, it will damage the screw that connects the two halves of the joint. SO PLEASE hold the rear part of the arm to keep the arm balanced firstly before adjusting the angle. Its height is adjustable,satisfying your various shooting needs. Easily attach to other equipment with its knob and spiral screw. Rubber padded,giving you a comfortable feeling and preventing it from sliding when you move. Its sturdy 3 legs structure at the bottom ensures your equipments stable. Note:Stand only!The monolight is NOT included!

**Quantity:** 1
