Description

LUXRITE BR40 LED Light Bulbs, 85W Equivalent, 5000K Bright White, Dimmable, 1100 Lumens, LED Flood Light Bulb, 13W, E26 Medium Base, Indoor/Outdoor - Perfect for Office and Recessed Lighting (4pack) 60

Brand: LUXRITE Model: LR31885 Title: LUXRITE BR40 LED Light Bulbs, 85W Equivalent, 5000K Bright White, Dimmable, 1100 Lumens, LED Flood Light Bulb, 13W, E26 Medium Base, Indoor/Outdoor - Perfect for Office and Recessed Lighting (4pack) Condition: New \$60 SAVE ELECTRICITY - Decrease your electricity usage by switching your 85 watt incandescent flood light bulb with a 13W LED BR40 flood light bulb. Immediately trim down the cost of your electricity bill by making the investment into energy saving LED light bulbs. DIMMABLE - Take control of your office and home lighting needs with the ability to reduce to 10% lighting output. Set your R40 LED dimmable flood lights according to your mood and take delight in a pleasant atmosphere every time. LONG LASTING - Built with an astounding 15,000 hours of lifetime, no replacement will be needed for the next 13 years, when used 3 hrs/day. That means each BR40 LED bulb lasts 7x longer than the equivalent incandescent floodlight bulb. ALWAYS BRIGHT - Constructed with a durable design making it the perfect indoor/outdoor flood light bulb. These damp location rated BR 40 LED bulbs will brighten your kitchen, office, living room, patio, or any space with 1100 lumens of light that you can appreciate.

SPECIFICATIONS - 13W (85W Equivalent), 1100 Lumens, 110 Beam Angle, Dimmable, LED Flood Bulb, Damp Location Rated, Energy Star, UL Listed, E26 Standard Base, 15,000 Hour Lifetime.
