Description

Scotts Turf Builder Thick'R Lawn Sun and Shade, Combination Seed, Fertilizer and Soil Improver, Thickens Thin Grass, 40 lbs. 58

Brand: Scotts Model: 30158 Title: Scotts Turf Builder Thick'R Lawn Sun and Shade, Combination Seed, Fertilizer and Soil Improver, Thickens Thin Grass, 40 lbs. Condition: New \$58 Scotts Turf Builder THICK'R LAWN Sun & Shade is a 3-in-1 solution uniquely formulated to help turn your thin lawn into a thicker, greener lawn with stronger roots. Get up to a 50% thicker lawn with just one application (subject to proper care; results may vary based on current condition of lawn). Lawn improvement product contains grass seed to fill gaps in current lawn, fertilizer for thicker, greener turf, and soil improver to enhance root development. This 3-in-1 is a great addition to your lawn care program with one application in the spring and one application in the late summer or early fall. One 40 lb. Bag of Scotts Turf Builder THICK'R LAWN Sun & Shade covers 4,000 sq. Ft.

Quantity: 1
