UPC: 766214012115 Model: NexiGo-Webcam N950P Title: NexiGo Zoom Certified, N950P 4K Zoomable Webcam with Remote Control, Sony_Starvis Sensor, 5X Digital Zoom, Pro Web Camera with Dual Stereo Mics, for Zoom Skype Teams Twitch
Condition: Like New \$130 4K Quality The NexiGo N950P webcam comes with an 8.5 Megapixel Sony sensor that features up to 3840 x 2160 QHD resolution at 30 frames per second for crisper images and clearer videos. Remote with 5X Digital Zoom Control your video calls with a remote, so even away from the desk you are still in charge. Turn off the webcam, adjust the volume, zoom in and out, mirror/flip your image, and more. With support for 5X digital zoom at 1080P, the NexiGo 4K webcam makes it possible to zoom in gradually with the single press of a button. Note: Please do not use the power button to turn off the camera. USB Type A or C & Privacy Cover The NexiGo N950P webcam is compatible with USB-A and USB-C inputs. Both cables are included. A webcam privacy cover is also included to provide security and peace of mind. Built-in Stereo Mics Built-in dual omnidirectional mics with noise cancellation ensure that you get clear audio from every angle. Automatic low-light correction provides ideal video

even in dim lighting conditions. Adjustable clip and threaded base for secure mounting on monitors, laptops, tripods, or even just a flat surface. Wide Compatibility The NexiGo N950P works with USB 2.0/3.0, no additional drivers required. Ready to use in approximately one minute or less on any compatible device. Compatible with Mac OS X 10.7 and higher / Windows 7, 8, 10 & 11 / Android 4.0 or higher / Linux 2.6.24 / Chrome OS 29.0.1547 / Ubuntu Version 10.04 or above. Perfect for Zoom, Skype, Facetime, Facebook, YouTube, Microsoft Teams, and any other popular video calling software.
