Description

3 Tier Nightstand with Wood Drawer Storage, Small Side Table for Small Spaces, Rustic Tall Night Stand/End Table with Shelf, Anti- Falling Design for Living Room, Bedroom, Sofa, Black 47

Brand: Facofaco Model: NCTG-B Title: 3 Tier Nightstand with Wood Drawer Storage, Small Side Table for Small Spaces, Rustic Tall Night Stand/End Table with Shelf, Anti-Falling Design for Living Room, Bedroom, Sofa, Black Condition: New \$47 Reliable & Stable Material : Unlike particle board small night stand, we use medium fiberboard, added thickness, more stability and higher value. The metal frame ensures good support, 4 adjustable foot supports, keeps bedside table balance and protects floors from scratches. Rustic brown and black end table and with a collision of a retro industrial style, it can be matched with any style of decoration and other furniture. Removable Wood Drawers & Anti-Falling Design Our drawer is made of wood and not fabric, better load bearing. Small bed side table is equipped with anti-falling design inside to ensure safety when pulling out the drawers. In addition, it's easy to remove the drawers, just press and hold the anti-falling design. The original position can be turned into an open storage space, we also designed a house pattern at the bottom, meaning a warm home. Upgraded Installation for Better Aesthetics When assembling the upper part and the drawer, we use 3-in-1 parts that do not show the screws, which

greatly improves the aesthetics of black nightstand and ensures stability. Just follow the installation instructions, it's very easy. In addition, the size of the product is 40*30*59cm/15.7*11.8*23.4in, we have good after-sales service. End Table with 3 Storage Area End table living room has desktop storage, wooden drawer storage and open storage shelf, you can better class and organize your things. It can store lamp, alarm clock, mobile phone, cup, private thing, books and magazines. This small and cute nightstand has a large capacity for all needs while serving as a space saver. It s a very flexible and practical bedroom side table. Multifunctional 3 Tier Bed Side Table / Night Stand A end table with drawer storage and shelf storage is a must for the bedroom, living room, balcony, study, office. The unique design allows it to be used as a nightstand, end table, coffee table and 3 tier storage shelf to meet your various needs. And this small side table covers a small area, suitable for small places or narrow places in the home, making your home and office organized.
