Description

Elly D cor 8 inch Plastic Cylinder Planter Pot with Self-Watering Saucer and Drainage Hole,Lightweight & Extremely Durable, 8"x 8", Gray 27

Brand: Elly D cor Title: Elly D cor 8 inch Plastic Cylinder Planter Pot with Self-Watering Saucer and Drainage Hole,Lightweight & Extremely Durable, 8"x 8", Gray Condition: Like New \$27 **VERSATILE USE INDOORS AND OUTDOORS:** This planter is perfect for enhancing any space, whether indoors in your home, such as the living room or hallway, or outdoors in areas like the balcony, patio, or porch. Its versatile design allows you to enjoy its beauty and functionality in any environment. **EXCELLENT DURABILITY AND LIGHTNESS:** Made of plastic, this planter is sturdy and durable, ensuring it can withstand daily use and the elements without losing its shape or appeal. It's lightweight enough to be easily moved according to your needs. **OPTIONAL DRAINAGE SYSTEM:** With multiple options available, you can choose to use it with or without a water tray and with or without a drainage hole. This versatility allows you to adapt your plant watering according to their specific needs, ensuring healthy and vigorous growth. **LONG-LASTING SELF-WATERING SAUCER:** Equipped with a self-watering saucer, this planter ensures your plants receive the right amount of water to stay hydrated and healthy. The saucer prevents excess water from coming into contact with the roots, preventing overwatering and promoting optimal growth. **HOME AND GARDEN DECORATION:** With its clean and modern design, this planter adds style to

any space. Whether you use it to decorate your garden or to grow herbs in the kitchen, this planter will be the focal point wherever you place it.
