Description

Genuine GORILLA-LIFT 2-Sided Trailer Tailgate Lift Assist 159

Model: GOR2LIFT Title: Genuine GORILLA-LIFT 2-Sided Trailer Tailgate Lift Assist
Condition: Like New \$159 This is the one and only Genuine GORILLA-LIFT. Makes heavy-duty utility trailer tailgates virtually weightless, allowing them to glide up and down with the slightest touch. Helps prevent costly injuries and property damages. Helps prevent very heavy-duty, commercial-use tailgates from warping and sustaining hinge damage. Is adjustable to work on different size and weight tailgates. Works on all open utility trailers with side rails 12-in. To 24-in. Tall and tailgates 4-ft. To 6-ft. Tall. Has a low profile housing that fully encloses the lifting mechanism for added safety.
