Description

Square Polarized Sunglasses for Men and Women Lightweight Frame Sun Glasses with UV Protection 15

Title: Square Polarized Sunglasses for Men and Women Lightweight Frame Sun Glasses with UV Protection Condition: Like New \$15 HD Polarized Lenses: All TURBOPEP polarized sunglasses are selected with premium polarized lenses with UV protection. TAC lenses restore true color and reduce eye damage from UVA, UVB and bright light. Helps you avoid distractions and temporary blindness caused by glare, and also helps you see brighter scenes and more vibrant colors more clearly. Metal Gripper Hinges: Specially designed hinges allow you to adjust the tightness of the frame at will, extending the life of the sunglasses. TURBOPEP is committed to providing consumers with a comfortable sunglasses experience. Classic Rectangular Design: Unique cubic square design, low-key but not mediocre, the line design of the temples add a sense of avant-garde movement to the classic fashion. Whether it's a business suit or a casual sweatshirt, TURBOPEP sunglasses can match. Outdoor Activity Partner: TURBOPEP sunglasses for men are perfect for outdoor sports such as walking, biking, driving, fishing, traveling, hiking. The lightweight frame and strong metal hinges will ensure that the wearer will not easily fall off even when exercising.
