AOLISHENG 1 Pair Full Extension Drawer Slides Rail 22 InchLoad Capacity Side Mount Ball Bearing Metal Dresser Runner File Cabinet Trash Can Slider Kitchen Glide Silver 17

Model: A4510 Title: AOLISHENG 1 Pair Full Extension Drawer Slides Rail 22 InchLoad Capacity Side Mount Ball Bearing Metal Dresser Runner File Cabinet Trash Can Slider Kitchen Glide Silver Condition: New \$17 Installation Guide Length: 11.81"(300mm), full extension lengths: 23.62"(600mm). Left side mount clearance: 0.5" (12.6mm), right side mount clearance: 0.5" (12.6mm). There are 8 screws in the card box at both ends of the product. please push the inner ball bearing to the top of the slide rail first, then connect it with the slide rail. There are electronic installation instructions at the bottom of the link. 30 Year Service Life Two sets of solid steel balls are used inside the ball bearing drawer slide rail to ensure smooth opening and closing of the slide rail. After testing, the number of smooth opening and closing of the slide rail has reached more than 100,000 times. Double Anti-Rust The surface of the drawer slide rail is galvanized, which isolates the direct contact between water and air, prevents the slide rail from oxidizing and rusting, and improves corrosion resistance. Double Load Bearing Aolisheng drawer slides are made of 1.0mm high-quality cold-rolled steel, and the material is one times the thickness of ordinary slides. Full extension drawer slides hold 100 pounds, 40 pounds more than regular slides. Hidden Function The back of the

slide rail is designed with a detachable buckle, which is more convenient to install. The rear end of the slide rail is equipped with a rubber mute pad, and the noise is as low as 35 decibels, bringing a more comfortable home experience. If you have any questions, you can contact us in time.
