Ceramic Front Brakes Pad and Rotors Drilled Slotted Vented Replacement Disc Brake Kits for Kia Sorento 2014-2015,for Hyundai Santa Fe Sport 2013 2014 2015 2016 2.4L/2.0L 107

Brand: YXPCARS Model: Brake Rotor kit Title: Ceramic Front Brakes Pad and Rotors Drilled Slotted Vented Replacement Disc Brake Kits for Kia Sorento 2014-2015,for Hyundai Santa Fe Sport 2013 2014 2015 2016 2.4L/2.0L Condition: Like New \$107

**Exceptional Braking Performance :**YXPCARS uses advanced tech to create a combo of ceramic brake pads and precisely slotted, drilled rotors. The uniquely - formulated pads react fast. Paired with Zinc Coated, anti - corrosion rotors, they can cut braking distance by up to 30%. Endorsed by ASE - certified techs with over 27 - year experience, drive worry - free in city traffic or on highways

**Efficient Heat Dissipation :**YXPCARS studies brake heat dissipation. The rotors' vents and grooves quickly dissipate heat, preventing fade. Braking stays stable, no matter long drives or mountain roads. For 2013-2016 Hyundai Santa Fe Sport 2.4L/2.0L. For 2014-2015 Kia Sorento

**Precise Fit, Easy Install :**After researching various models, YXPCARS made this kit for specific cars. No complex mods for installation. Replace easily, save time and effort

**Long - Lasting Durability :**YXPCARS uses high - quality ceramic for pads, 50% more wear - resistant than traditional ones. This extends replacement cycles and cuts

costs. Rotors, made with special tech, resist deformation and last long Quiet, Comfortable Drive :YXPCARS uses the low - noise ceramic to cut friction noise. Say goodbye to harsh sounds, enjoy a quiet, comfy drive every time
