Condition New

Description

Seperation Sunday 12

Model: 2099317 Title: Seperation Sunday Condition: New \$12 Product Description . Amazon.com It's only natural that the Hold Steady singer Craig Finn receives all the attention. After all, he's the one with the big mouth. And while his odd and humorous rants are essentially compelling, they wouldn't be half as engrossing if his backing group, especially fellow ex-Minnesotan and Lifter Puller guitarist Tad Kubler, didn't smack up such a glorious din, scabrous punk rock swagger dolled up with classic hard rock power chords. "Seperation Sunday" is the NYC-based group's second album and it's every bit as sassy and city wise as their 2004 debut "Almost Killed Me." Finn doesn't know the meaning of the phrase 'hold your tongue' and rudely shouts down the opposition on a number of romantic and religious matters, underscoring his contempt with touching moments of true pathos. Finn's surrounded by self-mutilators, abused lovers and deluded characters desperately chasing faith. It's a good thing he has such a crack band to keep them all in check. -- Jaan Uhelszki
