UPC: B0C43ZD421 Title: Fun Costumes Bride of Frankenstein Costume for Infants - Printed Dress and Hat Condition: Like New \$35 Introduce your little one to the classic world of monsters in the most adorable way possible with our Infant Bride of Frankenstein Baby Costume. This endearing outfit perfectly captures the spirit of the iconic character while ensuring your baby stays comfortable and happy. Ideal for Halloween, photoshoots, or just for fun, this costume is a charming twist on a classic tale. Crafted from 100% polyester jersey knit and boucle fabrics, the costume is designed for maximum comfort and easy wear. The jersey knit dress features a convenient hook & loop fastener at the back of the neck, making it a breeze to get your baby dressed and undressed. The long-sleeved A-line dress is adorned with printed bandages on the sleeves and sutures on the body, paying homage to the original Bride of Frankenstein in a cute and playful manner. A little printed heart adds an extra touch of sweetness to the ensemble. The hat steals the show, styled to look like the Bride's iconic hairstyle. It's made with a curly boucle outer shell and a soft jersey knit lining to keep your baby's head cozy. Two vertical white streaks at the front of the hat add the finishing touch to this classic look, and a glittery red bow at the right side adds a dash of contemporary flair. Your baby will surely steal the spotlight this Halloween with this unique and charming costume. Easy to wear and irresistibly

cute, our Infant Bride of Frankenstein Baby Costume is the perfect way to celebrate your little monster! - Dress - Hat
