MSA V-Gard Cap Style Safety Hard Hat Suspension | Polyethylene Shell, Superior Impact Protection, Self Adjusting with Crown Straps | 1-Touch Suspension 20

Brand: MSA Model: V-Gard Title: MSA V-Gard Cap Style Safety Hard Hat Suspension | Polyethylene Shell, Superior Impact Protection, Self Adjusting with Crown Straps | 1-Touch Suspension Condition: New \$20 HIGH QUALITY PROTECTION: V-Gard Caps are made from high-density polyethylene with a UV inhibitor for superior top impact protection. For use in general industry and manufacturing markets, or those featuring electric/utilities, construction, or oil, gas and petrochemical work. SLOTTED FOR ACCESSORY USE: This high-quality MSA V-Gard helmet comes slotted for use with a variety of MSA accessories. With a collection of 100+ accessories, ranging from sun shades and shields to liners and lamps, your helmet will always be fit for whatever task is at hand. 1 TOUCH SUSPENSION: When on the site, you often feel the need to readjust your helmet for a comfortable fit. This suspension allows you to do this safely by being easily adjustable for a secure, comfortable fit. This system features a one-handed squeeze opening, slide adjustment, and snap closure. Also has adjustable dual nylon straps for maximum comfort customization. VARIETY OF SIZES & COLORS: Comes available in a large variety of colors and sizes with custom imprinting and striping options. With custom logo options and any of 27+ different reflective and

retro-reflective stripes, MSA gives the ultimate experience in hardhat customization. MEETS PROFESSIONAL STANDARDS: V-Gard Protective Caps meet or exceed all applicable requirements for a Type I (top impact) helmet as outlined in ANSI/ISEA Z89.1-2014 (Class E) and CSA Z94.1-2005 (Class E). These V-Gard caps have also been fully third-party tested and certified by SEI.
