Description

VEVOR BBQ Access Door, 30W x 21H Inch Double Outdoor Kitchen Door, Stainless Steel Flush Mount Door, Wall Vertical Door with Handles and Vents, for BBQ Island, Grilling Station, Outside Cabinet 59

Model: B010S Title: VEVOR BBQ Access Door, 30W x 21H Inch Double Outdoor Kitchen Door, Stainless Steel Flush Mount Door, Wall Vertical Door with Handles and Vents, for BBQ Island, Grilling Station, Outside Cabinet Condition: Like New \$59 Precision Opening: Overall dimensions: 762x533x46 mm / 30x21x2 inches, installation size: 27x18inch/677x448mm, it is recommended to reserve an additional 0.08inch/2mm on this basis for better operation. The door is designed specifically for outdoor kitchens and barbecue islands. With precise dimensions, it is easy to process, install, or dismantle. Available in various sizes and styles, it is perfect for indoor/outdoor kitchens and all other outdoor weather conditions. High-quality Materials: This access door is made of sturdy high-quality stainless steel, rust-proof and waterproof. You can clean it well without leaving any traces. The integrated thickened frame structure is durable, with a fully seamless design, no sharp corners. The unique U-shaped panel structure provides better strength and durability. Magnets at the top and bottom keep the cabinet tightly closed. Left & Right Door Reversible Design: Adopting an L-shaped insert quick disassembly structure, the hinge can be removed for door direction

adjustment. Doors open without blocking walls or hitting doors, eliminating the annoyance of left or right door openings, allowing you to adjust the direction according to your usage habits, making replacement convenient. Humanized Design: Delicate zinc alloy handles conforming to ergonomics, enlarged size for easy opening. The door frame edges are bent and thickened for safer use, providing a more user-friendly experience, allowing you to enjoy cooking in your outdoor kitchen without worries. It also equipped with louvred vents, allowing better air circulation in the storage compartment. Easy to Install: The external packaging prints a 1:1 installation perforated CAD drawing. You can follow the instructions to place the template where the bbq door needs to be installed and perforate according to the line drawing. It can be easily installed on any wall in minutes using embedded installation.
