Description

Ergonomic Food Mill Stainless Steel With 3 Grinding Discs - Rotary Food Mill for Tomato Sauce, Applesauce, Puree, Mashed Potatoes, Jams, Baby Food 40

Brand: The Hungry Artisan Model: THA-111 Title: Ergonomic Food Mill Stainless Steel With 3 Grinding Discs - Rotary Food Mill for Tomato Sauce, Applesauce, Puree, Mashed Potatoes, Jams, Baby Food Condition: Like New \$40 LONG LASTING STAINLESS STEEL DESIGN: Our food mill for tomato sauce, applesauce and more is made from top stainless steel that's super durable, easy to clean, and built to last; This versatile kitchen tool can also be used as a colander and vegetable steamer ROTARY HANDLE IS VERY EASY TO TURN: Have you ever tried to turn the handle on an older stainless steel food mill, and it was so difficult to turn that your arm felt like it was on fire? This one has an ergonomic handle with a spring loaded lever that allows for effortless, smooth turning SIDE HOOKS SECURE TO BOWLS & POTS: On the side of our food mills for canning, there are strategically positioned hooks or ears as we call them; These hooks are double welded onto the bowl and allow you to rest the steel mill on top of nearly any pot or bowl INCLUDES (3) MILLING DISCS: Every applesauce maker mill comes with (3) 5 inch interchangeable mill discs: Fine, Medium, and Coarse; Use these grinding disks to make tomato sauce, mashed potatoes, jellies/jams, applesauce, soups, baby food, sauces, and more WON'T CLOG YOUR PANTRY OR CABINETS: Measuring a very manageable 8 x 3.5 inches with a 7.5 inch handle, this steel food mill won't take up a

lot of storage space; You can tuck away all of the pieces neatly in your pantry, cabinet, or kitchen drawers with room to spare
