Description

Well People Bio Tint Moisturizer SPF 30 - Yellow 30

UPC: 866606000055 Brand: Well People Title: Well People Bio Tint Moisturizer SPF 30 - Yellow Condition: New \$30 Your makeup, skin care and sun protection are all in one step with Bio Tint Moisturizer SPF 30. This triple-threat tinted facial moisturizer allows you to instantly blur imperfections, build coverage with a dewy finish, moisturize your skin and shield it with SPF 30. The plant-powered formula is bursting with organic skincare superheroes, like broccoli seed oil, non-micronized zinc and raspberry seed oil, that brighten, smooth and hydrate skin to perfection without clogging pores. SKIN TYPES:. For all skin types. WHAT IT DOES:. Light-to-medium buildable coverage with a satin finish. Smooths imperfections. Moisturizes skin. SPF 30 sun protection. Dermatologist developed. Allure Best of Beauty Winner 2020. Free from parabens, avobenzone, oxybenzone, GMOs, phthalates, sulfates, phenoxyethanol, dimethicone, petrolatum, PEG, propylene glycol, mineral oil, talc, nanoparticles, as well as thousands of other potentially toxic ingredients. KEY INGREDIENTS:. Broccoli seed oil, a natural substitute for dimethicone, helps nourish, brighten and smooth skin. Non-micronized zinc helps protect skin from the sun. Raspberry seed oil helps moisturize, soothe and soften skin. HOW TO USE:. Warm a dime-size amount of moisturizer with fingertips and apply to freshly cleansed skin. For an extra-dewy look, mix in a drop of the Bio Booster Oil Drops and apply normally. Use with Bio Correct Concealer, Bio Powder and

Supernatural Sticks. Clean ingredients: formulated without parabens, sulfates, mineral oils, silicone, petroleum & phthalates.
