Description

Modern Round Hanging Light Black and Gold Pendant Light, 7 inches in Diameter, Suitable for Kitchen Island, Kitchen Sink, Dining Room, Bedroom, Hallway 10

Brand: YHANFENG CY Model: 955/180 Title: Modern Round Hanging Light Black and Gold Pendant Light, 7 inches in Diameter, Suitable for Kitchen Island, Kitchen Sink, Dining Room, Bedroom, Hallway Condition: New \$10 Classic and elegant With its classic black tone, the black lampshade brings a timeless sense of elegance to any space. Whether in a modern and simple home environment, or in a retro style room, the black lampshade can be perfectly integrated and become the finishing touch of the decoration. (Bulb Specifications): This pendant light is a standard E26, with a maximum wattage of 60W. It is compatible with LED, halogen, and CFL bulbs, and is also compatible with dimmable bulbs and dimmer switches (bulbs and dimmer switches not included). Durable and easy to clean High-quality black lampshades are usually made of wear-resistant, durable materials that can withstand prolonged use without damage. At the same time, the black lampshade is also easy to clean, just wipe gently with a damp cloth to restore its luster. Lighting Details The size of the lampshade is 7 inches long and 7 inches high. Adjust the length of the hanging wire according to the height of the space. The longest hanging line is 62.99 inches. The maximum height of the entire lighting is 74.59 inches. Lamp Installation : The

installation steps are simple. The open design of the cylindrical lampshade is easy to replace the bulb. Suitable for installation in modern industrial kitchens, dining rooms, living rooms, bedrooms, corridors, entrances, bar counters.
