142Pcs Sand White Neutral Pink Balloon Garland Arch Kit, Nude Blush Dusty Pink Balloons for Retro Boho Wedding Baby Shower Bridal Shower Gender Reveal Anniversary Engagements Birthday Party Decoration 15

UPC: B0DRXX7SM3 Title: 142Pcs Sand White Neutral Pink Balloon Garland Arch Kit, Nude Blush Dusty Pink Balloons for Retro Boho Wedding Baby Shower Bridal Shower Gender Reveal Anniversary Engagements Birthday Party Decoration Condition: New \$15 Package Package: The balloon arch kit includes 45 pcs 5 inch balloons, 95 pcs 10 inch balloons, 2 pcs 18 inch balloons, 1 roll glue and 1 roll tape. The color of balloon arch kit is blush pastel pink, blush pastel white and sand white Quality: This green pink balloon is made of good quality, natural and non-toxic rubber. You can use helium or air to inflate, but do not blow too much into the balloon, just let it become a perfect shape. The green pink balloon can help you add some dreamy atmosphere DIY: Use your wonderful imagination to make balloon decorations of different shapes, just DIY what you want! Make it more spectacular by ordering 2 or more balloon set. We suggest that you inflate all the balloons then insert the balloon knot into the hole of the balloon chain strip. We also provide tools that help you to make the balloon arch easily Events: The balloon arch garland kit can help you make your party more attractive and fun. Of course it can use to any special events as long as you like. For

example: baby shower, birthday party, girls' party, princess party, bridal shower, wedding, mother's day decoration, garden decoration, tea party, engagement, spring party and so on Tips: When the balloon is first taken out, it will smell a little and can be left to dry in a cool, ventilated place. To prevent dust from darkening the balloons, you can blow up the balloons shortly before the event, or use balloon glow spray to keep them shiny
