Description

Natural Dog Company Dog Topical Ointment 2 oz 20

Model: BA-SKSR-2S UPC: 638499342662 Brand: Natural Dog Company Title: Natural Dog Company Dog Topical Ointment 2 oz Condition: Like New \$20 Our Skin Soother Travel Stick is just what the vet ordered. Packed with the same potent, plant-based punch as our tins and 2 oz sticks, in a convenient chapstick-size for those on-the-go scrapes, irritations, and frustrations. Skin Soother creates a nourishing barrier to block contamination and potential infection while healing and soothing the affected area. With a distraction in tow (we love training treats or maybe their favorite toy) clean up any excess dirt or debris evident around the affected area. Twist a small amount of Skin Soother up from the stick and gently rub a generous amount onto affected area. Allow the area to dry (a nice belly rub always does the trick!) and follow up with a treat or play time for a positive reward. Repeat one to three times daily. Consistent & frequent application to open wounds is crucial to protect against infections & harmful bacteria. Decrease application as the area improves. Our balm ingredients are organic, plant-based, and never compromised. Lavender: Anti-inflammatory; helps reduce itching, swelling, and redness. Chamomile: Antioxidant, anti-inflammatory, and antimicrobial; helps speed up healing. Frankincense: Natural antiseptic, disinfectant, and astringent; helps heal boils, infected wounds, and inflammation. Sea Buckthorn Oil: Loaded with antioxidants, vitamin C, and vitamin E; helps treat burns and wounds. Myrrh: Anti-fungal, antimicrobial, and astringent; helps fight viral and fungal

infections. Other Ingredients: Cocoa butter, sweet almond oil, coconut oil, safflower oil, candelilla wax, vetiver, niaouli, benzoin, Vitamin E. We use only the highest quality ingredients to create a safe, powerful healing treatment a plethora of ailments and irritations. Powered by plants, this balm heals, soothes, and nourishes even the most stubborn skin conditions.
