Description

Balance Bike-Lightweight Aluminium Toddler Bike For 2, 3, 4, And 5 Year Old 87

UPC: 5060493880553 Brand: LAVA SPORT Model: LVSP Title: Balance Bike-Lightweight Aluminium Toddler Bike For 2, 3, 4, And 5 Year Old Condition: New \$87 THE BEST WAY TO LEARN The LAVA Sport Aluminum Balance Bike provides your little kids with the best way to learn to ride a bike. The durable anodized Aluminium frame design makes it stand out from the crowd. It is the perfect pedal less training bike for 2, 3, 4, or 5-year-old children to have fun on their outdoor adventures and feel a sense of freedom and responsibility.,LIGHTWEIGHT AND TOOL-FREE ADJUSTMENTS The new LAVA Sport Bike is lighter than ever, the Ultra lightweight (just 4.6 Lbs) balance Bike requires minimal assembly. With a fully Aluminum frame the bike is super lightweight and durable. LAVA Sport Bike comes with puncture-proof EVA wheels, an axle setup for faster spinning, a twin bearing headset for ultra-smooth steering, a safe handlebar locking hex clamp, and an anodized finish not only looks fantastic but will not chip like traditional paint.,MORE THAN JUST A BIKE The LAVA Sport bike helps your little boy or girl to build confidence which they ll use for life because of the success your kids experience when they ride and balance the bike. It also helps your little racer to shift successfully from a balance bike to pedaling like a pro as quickly as possible. It's the perfect Birthday present or Christmas gift for healthy outdoor fun.,FLEXIBLE SIZING GROW WITH YOUR CHILD The LAVA Sport bike comes with an adjustable seat and

handlebar to accommodate Childrens ages from 2 years to 5 years, the seat height of the Bike can be adjusted on the go from just 12.2 up to 15.7 with quick release clamp for easy seat adjustment so that your little one always has a bike that fits.,CUSTOMER SUPPORT - Kids can be hard on things but our LAVA Sport bike offers high and durable quality. It is manufactured with premium parts only and every balance bike is going through an intense quality inspection. Any problems whatsoever with your bike, we re here to help with our amazing customer support, our great reviews are a testament to that, just get in touch.
