Description

Filtrete Allergen Defense 18 in. W X 20 in. H X 1 in. D Polypropylene 11 MERV Pleated Air Filter 4pack 59

UPC: 051141909783 Brand: Filtrete Model: 9845-4 Title: Filtrete Allergen Defense 18 in. W X 20 in. H X 1 in. D Polypropylene 11 MERV Pleated Air Filter 4pack Condition: New \$59 Filtrete 18x20x1 MPR 1000 Air Filter, made by 3M, helps capture unwanted particles from your household air to contribute to a cleaner, fresher home environment. Designed with exclusive Filtrete 3-in-1 technology, including a MPR 1000 and MERV 11 rating, your AC filter will help pull and capture countless microparticles - such as pet dander, smoke and smog - while letting cleaner air flow through. Your Filtrete Filter will also capture large particles, including lint, pollen and household dust. Use a 3-month pleated 1-inch home HVAC filter in your furnace, air conditioner or HVAC system. For optimal performance of your heating and cooling system or HVAC system, change your furnace filter at least every 90 days. Note - For easy replacement reminders, create a change countdown in the Filtrete Smart App. Simply use the app to scan the barcode on your filter's packaging, then choose days for your replacement countdown. When the filter's life is up, you'll get a notification to change your filter. The No. 1 Recommended HVAC Air Filter Brand (1), Filtrete's Home Air Filters provide the breakthrough technology needed to change how we clean our air, by filtering out particles both large and invisible, to create a cleaner, healthier home for ourselves and

our families. Residential use only. (1) Based on the 2022 Ipsos US Brand Health Study of Residential HVAC Air Filters.
