Title: Non-drip lightweight umbrella with Cover, plastic Telescopic cover, Windproof canopy heavy duty, Rainproof, J Stick Handle with Easy Grip, Durable for travel, Black, suitable for Women, Men, & kids. Condition: New \$20  
**UNIQUE TELESCOPIC COVER** - This cover keeps your indoor areas dry and protects your car, house, and clothes from getting wet. The unique design keeps the water inside the cover until you remove the cap to release all trapped water or when you open the umbrella.  
**WATERPROOF FABRIC** - Strong 190T high-density pongee cloth s wind, rain, snow, and sun protection.  
**STRONG WINDPROOF FRAME** - Thanks to the fiberglass ribs this umbrella is fully windproof.  
**USER-FRIENDLY** - The umbrella's automatic open switch and simple cover mechanism make it accessible to all ages.  
**ECO FRIENDLY** - No more disposable plastic umbrella covers that harm the environment - enjoy the eco-friendly umbrella with the built-in telescopic cover!  
**DIMENSIONS** 34-inch length, open diameter is 40-inch

**Quantity:** 1
