Brand: The HC Companies Title: The HC Companies Eclipse Square Plastic Planter w/Attached Saucer - Outdoor & Indoor Plant Pot with Drainage Holes - Lightweight, UV-Resistant Plastic Pots for Plants (12" Slate Blue, Pack of 2) Condition: Like New \$33
DURABLE & LIGHTWEIGHT: Designed for versatile use, these plastic planters for indoor plants are perfect for cultivating flowers, herbs, and vegetables. Their lightweight design makes them easy to move and handle, whether indoors or outdoors. **SMART DRAINAGE DESIGN:** Equipped with pre-drilled drainage holes and a removable saucer, these planting pots ensure proper water flow, prevent root rot, and protect surfaces from excess moisture. **MODERN AESTHETICS:** The sleek, matte finish and contemporary design of these house plant pots add a stylish touch to any space. Available in fresh colors, these decorative pots enhance the look of patios, porches, or home interiors. **QUALITY MATERIAL & SIZE:** Built with UV-resistant polypropylene, these durable 12"D x 12"W x 10.72"H square plastic flower pots resist fading, cracking, and wear, making them a reliable option for long-term use. **ABOUT HC:** For over 35 years, The HC Companies has been crafting quality horticultural containers you can

depend on that marry quality with affordability. Our trend inspired planters are the perfect addition to your indoor or outdoor living space.
