Description

Medline Shower Chair Bath Seat with Padded Armrests and Back, Great for Bathtubs, Supports up to 350 lbs, 1 Count 86

Brand: Medline Title: Medline Shower Chair Bath Seat with Padded Armrests and Back, Great for Bathtubs, Supports up to 350 lbs, 1 Count Condition: Like New \$86
SECURE BATH CHAIR: Provide safe and comfortable care with Medline Shower Chair Bath Seat with Padded Armrests and Back. The slip-resistant soles help ensure the safety of elderly adults during bath time.
DURABLE BATH BENCH: Enjoy our heavy-duty shower chair for years. It has a weight capacity of 350 lbs and is made of lightweight and rust-resistant Aluminum.
ADJUSTABLE HEIGHT: For maximum convenience, we designed our shower seats to fit in most bathrooms. It has adjustable seat height with 1 increments to ensure that it is adaptable and can meet your needs.
EASY TO ASSEMBLE: You don't need any tools to assemble our shower seat for inside shower use. It comes with a step-by-step manual so you can set up your new shower chair for bathtub in no time.
COMFORTABLE SHOWER SEAT: We designed our shower chair with arms and back to provide superior support and balance. It is the ultimate daily living accessory that provides comfortable showering for anyone.
