V-Flat World The Light Cone Photo Light & Photo Flash Diffuser - 360 Diffusion for Shooting Reflective Objects Alternative to Picture Box or Photo Box for Product Photography - medium 70

Model: 007L Title: V-Flat World The Light Cone Photo Light & Photo Flash Diffuser - 360 Diffusion for Shooting Reflective Objects Alternative to Picture Box or Photo Box for Product Photography - medium Condition: Like New \$70 Instantly Removes Reflections - Taking photos of jewelry, watches, electronics, & other reflective items will be a breeze with The Light Cone! Designed by Karl Taylor, it offers 360-degree light modification to remove harsh glare from shiny products. Unique Shape to Stand Alone - Swap a traditional photo light box with our Light Cone! Our freestanding alternative to a lightbox is easy to place over objects no stand or holder needed. Easy Setup & Storage - The Light Cone acts as a portable photo booth that's collapsible to let you easily store it. Its snap buttons allow quick assembly. Available in Various Sizes - Choose from any of our 3 sizes to suit your needs: Medium, Large, & Phone. Also comes as a kit, so you can photograph everything from small to larger items. Ideal for Pro & Amateur Photographers - Whether you're a novice or a seasoned product photographer, click 'Add to Cart' on our smart alternative to a product photography light box to complete your lighting & studio equipment.
