Model: TYCKCXSTHB Title: (Similar model) Gardening Gloves for Women, Breathable Long Garden Gloves with Grip, Thorn-Proof Leather Work Gardening Gloves Condition: New \$13 Enhanced Protection Design: The part of fingertip and palm of our garden gloves for women are thickened canvas and microfiber materials and double stitching, which greatly reinforces the palms and finger tips while digging in the soil. And the extended cuffs can all wrapped around the forearm so that you completely avoid injury like thorns and scratches while gardening. The adjustable cuffs could fit well into your arm, ensuring that the gloves do not fall off while working. Snug Fit and Long-lasting - The elastic fabric and close-fitting construction make our gardening gloves suitable for most people. It can provide comfort for long-term use. The elastic wrist design allows it a comfortable fit, not easy to fall off, strong stability. And the top of the gloves has a velcro strap that allows you to tighten the gloves around your elbow, which prevents dirt and other debris from entering the interior. Let you work with peace of mind. Touchscreen Design: This protective long sleeve garden gloves with three finger touch function allows you to use your phone without taking them off when you are working. The materials of work gloves are soft and flexible, which can reduce hand fatigue for horticulturists. And the cute floral design definitely adds your

gardening working fun. Widely Used: These womens gardening gloves are perfectly suitable for ladies gardening, trimming and daily outdoor work such as weeding, pruning and picking and other DIY light work, ect. No doubt, the Unique floral design makes gardening gloves more fun, which could be a cute gift to mother, wife, and your gardener friends. Easy to Care: The garden gloves are machine washable in cool water with mild detergent and air-dry. We suggest handwash gloves in order to keep them in top shape. It's easy to store after use because you can hung or fold them. And the working gloves can be reused to keep you away from soil and other dust when handling gardening work.
