Model: GX21395 Title: UDC Parts GX21395 Mower Deck Belt for John Deere E180 D170 LA175 G110 S180 190C LA150 54" Decks/Aramid Cord / 161.4 inches Condition: Like New \$37 Dimensions: 0.65 in. Width x 161.4 in. Length Replaces OEM Part: John Deere GX21395 Belt Fits: GX21395 John Deere Mower Deck Belt 190C, D170, E180, G110, LA150, LA175, S180 Lawn Tractors with 54 Inch Decks UDC Mower Belts are designed for outdoor power equipment. They manufactured for aggressive applications with heavy shock loads. More aramid cords provide strength for high horse power demands. UDC Mower Belt ensure smooth running in typical lawn and garden machines where stop-and-start operations are commonplace. There is excellent adhesion to both tensile members and other fabrics, and the outer cover has a lowered coefficient which shows extreme resistance to belt turnover or roll.

Quantity: 1
