Description

BIG RED 3 Step Ladder: Ergonomic Folding Stool with Anti-Slip Pedal, Step Stool with Padded Handle for Kitchen, Household, Offices. 400 lb Capacity 68

Brand: BIG RED Title: BIG RED 3 Step Ladder: Ergonomic Folding Stool with Anti-Slip Pedal, Step Stool with Padded Handle for Kitchen, Household, Offices. 400 lb Capacity Condition: Like New \$68 QUALITY WEIGHT-BEARING: The 3 Step Ladder features a high-strength steel frame that is sturdy and reliable. It can hold up to 400 pounds. The Safety folding 3-step steel ladder designed just for you MULTIFUNCTIONAL LADDER: The 3-step ladder stool comes with a sponge handle, which increases the convenience of this ladder, more comfortable to grip and safer to ascend when you use it, so you can easily carry it to wherever you need it. It is suitable for home, kitchen, bedroom, office and many other places. ENHANCED SPACE UTILIZATION: The 3-step ladder stool can be easily folded and the folded product takes up little space, you can place it in the bathroom, shed, pantry or the back of the closet, thus saving valuable space in your home. SAFETY AND NON-SLIP: The non-slip treads have a non-slip texture that provides a safe landing point and fully supports your feet. Thickened rubber feet are in full contact with the ground, effectively avoiding sliding phenomenon. TRIANGLE STABILIZING STRUCTURE: The ladder is firmly structured, adopting the safety principle of triangulation mechanics, the steel tube is molded in one piece, with strong pressure

resistance, ensuring stability and no wobbling, providing you with good support and a sense of security.
