Model: KI-GA-96 Title: Gauze Rolls Pack of 96 4 x 4.1 yd Premium Quality Lint and Latex-Free Conforming Stretch Bandages Designed for Wound Care for Wound Dressing Support (Ideal for use as a Mummy wrap) ( open package) Condition: Like New \$24 Connecting Strap Adopting a new Velcro bonding method, replacing traditional tape fixation gauze, it can be reused without the need to purchase additional tape Superior Quality Our gauze wrap rolls are made from top-grade polyester-cotton blend, ensuring a soft and safe experience for the user. The material is breathable, conforming to the body contour while holding the wound dressing securely in place Optimal Stretch Our gauze bandage rolls provide high stretchability, allowing them to slightly compress body parts and maintain gentle pressure on the wound. This feature promotes fast-paced recovery while ensuring adequate breathability for optimal healing Hassle-Free Application and Removal Our stretch gauze wrap rolls are designed for easy usage. They are user-friendly, economical, and latex-free. The super absorbent material prevents lint, eliminating the risk of cotton fiber strands sticking to the wound. Users can expect a pain-free removal process

Individually Packaged Each package contains 96 individually packed rolls of yarn. With a convenient size of 4 inches x 4.1 yards per roll, users can easily cut them according to their specific needs. This makes our product an ideal addition to first aid kits for hospitals, schools, and sports activities Trusted by Professionals Our KIWAEZS brand has gained the trust of professionals in the field of first aid wound care. We are committed to delivering first-class quality and performance in our products. If customers have any questions, our responsive customer service team is ready to provide satisfactory answers
