UJFQBH 3 Pieces African Bath Sponge African Net Long Net Bath Sponge Exfoliating Shower Body Scrubber Back Scrubber Skin Smoother,Great for Daily Use (Yellow,Yellow,Yellow) 9

Model: wp-17 Title: UJFQBH 3 Pieces African Bath Sponge African Net Long Net Bath Sponge Exfoliating Shower Body Scrubber Back Scrubber Skin Smoother,Great for Daily Use (Yellow,Yellow,Yellow) Condition: Like New \$9 99.99% african net sponge A total of seven colors of bath sponge sufficient enough for you to share with families and take them as a substitution; Note: slight fading is normal at first and will not fade after several uses, please soak the product in hot water for 15 minutes before use. Good rebound and stretch The african net sponge is approx. 11.8 inches/ 30 cm in width, 31.4 inches/ 80 cm in length, and it is elastic and stretchable that will be longer after being stretched, great for washing all areas of the body without dead corner including the back, hands and feet. Better quality material Our long bath net sponge is made of safe and reliable New type nylon materials, which is sturdy and reliable and reliable for long time using, Light but very powerful and also strong soap lathering, washing machine friendly, and dry quickly due to its porous nature, providing a more clean and enjoyable bathing experience. More efficient cleaning The exfoliating body net is rougher than a ordinary bathing cloth but soft enough for daily body

cleansing.easy for removing dead skin, dirt, oil, and eliminating impurities, unclogging pores, suitable for women and men of most ages to use. Versatile Usage Unlike traditional sponges, it can be easily cut and customized to meet your specific needs, giving you a tailored cleaning experience. Not only does it excel in the bath, but with its abrasive texture and resilient construction, the African Net Sponge is equally suited for kitchen household cleaning tasks, scrubbing pots and pans and wiping down countertops.
