Description

VEVOR Rubber Mulch for Landscaping, Recycled Rubber Mulch Mat 120 x 4.5 in, Permanent Rubber Pathway, Natural-Looking Black Mulch Garden Edging Border for Plants, Vegetables & Flower Garden Barrier 18

Brand: VEVOR Model: HJ6001 Title: VEVOR Rubber Mulch for Landscaping, Recycled Rubber Mulch Mat 120 x 4.5 in, Permanent Rubber Pathway, Natural-Looking Black Mulch Garden Edging Border for Plants, Vegetables & Flower Garden Barrier

Condition: Like New \$18 Weed Control: This rubber mulch roll effectively prevents weed growth by blocking sunlight and avoiding weed roots from penetrating. Its

durable and thick design provides long-lasting weed control. Mud Prevention: Ideal for wet areas, this rubber mulch mat helps reduce mud and creates a tidy, well-defined separation between flower beds and lawns. Even after rain, you can enjoy outdoor activities without the mess. Breathable & Water-Permeable: The fiber gaps allow for

excellent air circulation, letting water and nutrients reach plant roots, ensuring they are well nourished. The breathable design also helps prevent soil compaction. Low

Maintenance: Made from recycled rubber, this garden mulch mat is highly durable, abrasion-resistant, and anti-aging. This black garden pathway walkway mulch requires no special upkeep and won't easily wear out, saving you time and reducing weed control costs for reliable outdoor use. Versatile Applications: Equipped with 10 U-

shaped ground stakes, the rubber mulch mat can be leveled and fixed in the required positions to create clean and attractive outdoor spaces for courtyard paths, streetscapes, and other scenes.

Quantity: 1
