**Description**

Medline Knockdown Bath Bench with Arms 46

Brand: Medline Model: G2-200KHX1 Title: Medline Knockdown Bath Bench with Arms

Condition: Used \$46 PADDED ARMRESTS shower stool arms offer comfort, stability, and balance, while adjustable legs raise the stool 1" at a time, from 16" to 21" high. DURABLE and easy to assemble, this shower bench with arm supports fits most standard bathtubs and bathrooms. The strong, lightweight aluminum frame and plastic seat supports up to a 350 lbs. Capacity. SLIP-RESISTANT FEET keeps chair legs in place for ultimate safety and control in the shower or bathtub. A shower seat depth of 13.5" and seat width of 16" ensures a comfortable place to rest. MUST-HAVE for disabled, elderly or senior adults who need extra support to safely use the shower, bathtub or bathroom on their own. PEACE OF MIND and confidence in the shower and bathtub for adults who need added safety, stability or balance and want to maintain their independence during bath time.

**Quantity:** 1
