2025 New Mambobaby Float with Canopy, Non Inflatable Solid Baby Swim Float, Upgrade Soft Skin-Friendly Fabric Material Infant Pool Float Smart Swim Trainer for Infant Toddler 3-24 Month 80

Brand: Ultibe Model: B503 Title: 2025 New Mambobaby Float with Canopy, Non Inflatable Solid Baby Swim Float, Upgrade Soft Skin-Friendly Fabric Material Infant Pool Float Smart Swim Trainer for Infant Toddler 3-24 Month Condition: New \$80 2025 Upgraded Safety Design : The Mambobaby float is crafted from skin-friendly, waterproof fabric that ensures babies do not experience discomfort from dampness during use. This material provides a comfortable and safe surface for direct skin contact, effectively protect your baby's delicate skin. And, the fabric cover is washable, no matter how many times it is reused, it still keeps good usability. UPF 50+ Adjustable Canopy : The infant pool float roof is 3D shaped, UPF 50+ and can be adjusted to half shade, full shade, and also removable, wide base and mesh sides for stability and breathability, which can protect baby's skin from the sun and let baby enjoy swimming in summer. This new canopy folds easily when not in use, ensuring convenient storage. Non-inflatable-Leak-Proof & Durable : The baby pool float doesn t require inflation and resistant to punctures, it will never leak air like an inflatable float. Our baby water float for pool features non-inflatable peal foam inside which is light and improve 50%

buoyancy. 360 Full Protection : Baby swim float add removable tail, Prevent baby from flipping backward. The extra-wide non-slip base and removable stability tail work together to create maximum balance Upgraded safety buckle, The Upgraded safety buckle provides 5 support points and perfect 40 angle to keep a balance to avoid baby flip over and fall off. 2 Ways of Use : Baby float for infant provides two kinds of swimming postures: backstroke and breaststroke. Breaststroke is for 3-24 months baby, backstroke is for 3-6 months baby. Fits for Children weight from 13 to 40 lbs. Your toddlers can find the most comfortable swimming ways by this float.
