Brand: tchdio Title: 6x9 Washable Area Rug for Living Room Bedroom - Vintage Boho Carpet Large Soft Distressed Floral Floor Rug for Dinning Room Playroom Home Office Indoor Room Decor,Grey Condition: New \$332 Soft and Comfortable - Our area rug is made of high quality and ultra soft material, providing a comfortable feeling underfoot. Experience ultimate relaxation and comfort in your living space. Expertly machine-woven construction ensures exceptional comfort and durability in any room. Non-Slip TPR Backing - Durable non skid backing will effectively keep the carpet in a stable position and provide better traction and reduce the risk of slipping. It's safer for your children or pets to play during daily use. Perfect for high traffic areas. No additional rug pad needed. Machine Washable - Easy to clean and maintain. Non-shedding low pile won't trap dirt and debris. Simply by vacuuming regularly and spot cleaning as necessary, you can easily maintain this soft and durable material for years of enjoyment in your home. Multiple uses - The 5x7 ft and 8x10 ft area rugs are suitable for bedrooms and living rooms. They will protect your floors from scratches and minor damage caused by footsteps and furniture. Vintage floral prints will suit any

room, adding a cozy yet sophisticated feel to your entryway, dining room, living room, and more Product Note - Carpets are usually slightly creased as they are folded into portable packaging during shipping. If your rug has creases, we recommend laying flat or reverse rolling to allow time for the creases to flatten and settle.
