Description

goDog Just for Me Furballz Squeaky Plush Ball Dog Toy, Chew Guard Technology - Cool Rainbow, Mini Mini Furballz (Cool Rainbow) 7.68

goDog Furballz feature silly, googly eyes and bright, fun colors to attract your dog's attention. The round shape is ideal for tossing and retrieving. Features a big, loud ball-shaped Squeaker that drive dogs crazy. Made with soft, fuzzy fur that dogs love and lined with Chew Guard Technology, these toys stand up to tough play. goDog plush dog toys are designed to be stronger and last longer. Made more durable with Chew Guard Technology a special manufacturing process that adds a super tough and durable lining to soft plush toys. goDog gives pet parents the best of all worlds: innovative products, stylish designs, environmental responsibility, and exceptional value with a variety of toys and beds to meet a dog's needs for play, retreat, rest, and fun! goDog products are designed to meet child safety standards and are backed by our 100% satisfaction. If a customer is dissatisfied with a goDog product for any reason, we will replace or refund it **DISCLAIMER:** Our toys are tougher than standard plush toys but unfortunately no toy is indestructible, and some dogs can destroy the toys depending on their play and chew patterns.
